

Work Party- Proposed Scheduled of Works 2008

1. Stiles to be numbered on subsequent walk.
2. Schedule of style repair to be drawn up.

3. Tidy car park area. Perhaps contact Bob re hard core and restricted access system.

4. Cut back brambles at sewage works path and widen path.

5. Trim trees below lower Island Pool. (No Photo)
6. Clear fallen trees and debris, create groyne at bend between 'Island Pools'.

7. Plant trees at Scott Pool (Upper island?)

8. Clear trees and remove subsided bank between 'Scott Pool' and "Brown's Pool".

9. Plant trees to shade Brown's Pool

10. Clear tree trunks and debris at 'Boulder Runs'

11. Make groyynes and clear in-stream debris below 'Bakers Reach' .

12. Tidy up “beach”, realign bank with rocks and consider covering earth bank with chicken wire.

13. Gravel to be cleared at mouth of March Burn.

14. Many signs require painting...NB Do Not Buy Paint from Blochairn again!

15. Remove all in-stream debris

16. Chicken wire to be pinned to bank at 'Willow pools' bend to prevent erosion.

17. Willows to be planted in this area

18. Trees to be trimmed and debris cleared immediately below Kirkland Bridge.

19. Remove small island approx. 100yards below K/Bridge

20. Repair all groynes, fences etc
